Any indian nation that is signatory to any treaty, at any time, with the United State's government ought to be given automatic federal recognition if that condition is not now extant. Period. End of story. It would seem to be the height stupidity to do otherwise.

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current which can sweep down the mightiest walls of oppression and resistance." ~ Robert F. Kennedy
